U.S.A. **OFFICE OF PETITIONS**

Sir:

**REQUEST FOR RECONSIDERATION OF
PETITION FOR GRANTING OF A FILING DATE**

In response to the Decision mailed January 28, 2005, we hereby request re-consideration of the Petition for Granting of a Filing Date of September 8, 2003.

A copy of the Amendment (as filed on September 8, 2003 as E) is attached.

It is hereby requested that the filing date of the Divisional application be accorded the original filing date of September 8, 2003 as submitted to the USPTO.

The circumstances involved are that when the above application was filed in the USPTO on September 8, 2003, the papers submitted inadvertently omitted a copy of the parent application 09/843,949 filed 04/30/2001 now US Patent No. 6,642,052 issued November 4, 2003. The papers did include however a copy of the original Declaration; a copy of the original Assignment document; a Preliminary Amendment to insert the parent application information into the original specification; the filing fee; and the Utility Patent Application Transmittal, indicating in Box 18 that this application is a Divisional of prior application 09/843,949. We enclose a copy of the Transmittal with the OIPE stamp dated SEP 08 2003 for your records (A).

We received a Notice of Incomplete Nonprovisional Application dated 12/15/2003 asking for the missing specification (Copy returned herewith as B). A Response to this notice is enclosed (filed on 2 February, 2004 as C), thereby submitting the specification from the parent application 09/843,949 filed

2

04/30/2001 now US Patent No. 6,642,052 issued November 4, 2003 and a Missing Parts fee of \$130.00.

We further received a Notice to File Missing Parts of Nonprovisional Application dated 03/25/2004 (**copy returned herewith as D**) giving a granted filing date of 02/04/2004 and two months in which to submit an oath or declaration and a Sequence Listing.

We believe that the specification and a newly executed oath or declaration was not necessary for a filing date and we hereby request that this application be granted the filing date of September 8, 2003 as a Divisional application of 09/843,949 filed 04/30/2001 now US Patent No. 6,642,052 issued November 4, 2003.

In Response to the Notice to file Missing Parts, we enclose a Statement 37 CFR 1.821(e) regarding the Sequence Listing.

We believe that the Petition Fee was paid on February 2, 2004. If this is not the case, we hereby authorize you to charge the Required Fee of **\$130.00** to our **Mastercard Credit Card**. The required Form PTO-2038 is attached herewith.

We hereby authorize you to deduct any deficiency of the fee stated above or credit to this amount to our **Deposit Account 14-0429**.

Respectfully submitted,
